In Loving Memory

Paula Thurber Holm

January 10, 1953 - March 21, 2009

I'll Miss You Ms. Holm

Freshman year was where it started.
We were both new to the school,
but you made me feel like there was a comfortable place
where I could go,
The Reading Lab.
From Teenbiz, to writing prompts, to the Red Sox bracelets,
you helped me find a joy in reading,
how there was a meaning to it.
A story. A story, we could relate to.
Although you are gone, I will never forget you.
I'll always remember you as the woman with an open heart
and an open soul.
You were willing to help anyone.
Everyone will miss you.
I know you are no longer suffering.
Please look down upon Kristin and myself
and give us hope and encourage us to keep reading.
It makes us smarter.
Whenever I was having a bad day,
going to Reading always put me in a better state of mind.
Sitting in between Kristin and me
with your soft delicate voice, reading us the questions;
making sure we understood.
You found a way through my disability
making it easier to comprehend.
You were a special woman Ms. Holm
We'll miss you; always.

By Emily Butler

REST IN PEACE.

Yearbook Dedication

Mr. Warren Hermance, aka “Shrek,” was a dedicated Marketing/Office Technology/Video Media teacher for the past ten years. He influenced the lives of all his students tremendously. His famous highlights tapes of the school’s sports teams, natural studies field trips, freshman exploratory, and other student activities added excitement and enthusiasm to parent meetings and banquets. His assistance with our SkillsUSA chapter project, SkillsvilleUSA, helped us win a gold medal at the State Competition. At graduation, his senior portrait presentation showing each graduate’s freshman I.D. picture along with their senior portrait helped to make the graduation even more extraordinary.

Mr. H. has a wonderful sense of humor. His constant banter with his students illustrated how fond he was of them. When a student asked Mr. H. what her grade was, he would respond, “Your grade is between an A and a F!” Students fondly remember his constant lament regarding glitter. He would say, “Who was using the glitter again? I go home every week with pounds of glitter on me!”

Mr. Hermance was an enthusiastic teacher who wanted his students to succeed. He encouraged his students to try new things. He, too, tried new things such as playing the drums in our first faculty band. Mr. Hermance was an educator, an “enlightener,” and a musician, truly a Renaissance man, and we respected him greatly.
